Virginia City Grand Prix

2023 Town Map for Race Weekend

Pit-Bike Barrel Racing

- Will start at the Fairgrounds at 3pm and end at 7pm.
- \$20 entry and each racer will get two runs on the barrels (Match Scoring).
- Motorcycles will be provided. Bring your own helmet, goggles, gloves, etc.

Camping

NO STREET CAMPING!! This will be enforced every year. Please utilize the fairgrounds camping area or one of the established RV areas like the RV Park. Do not camp without permission in non-designated camp area(s).

Town Tips

- Virginia City is an alpine town (6100' with very little oxygen). It's very STEEP in all directions. Plan accordingly. Geiger Grade & Six Mile Canyon are very steep roadways into VC. The Truck Route from Moundhouse is your easiest trek if you are hauling a trailer.
- Riding offroad vehicles (dirtbikes/SXS's) on paved roadways are done so at your own risk. As a general rule, the town is aware of what our event brings so be courteous and minimize your time on pavement. Except for the race start, DO NOT RIDE offroad vehicles down the Main "C" Street. It is a state route and you're subject to being ticketed. **ALWAYS wear helmets when riding!**
